GENERAL BUSINESS

- Canteen co-ordinators discussed the possibility of sending out survey to get opinions on canteen menu to then organise an orientation. Brought to our attention about the need of keeping gluten free bread/wrap in the freezer as an option for some students.
- It is the year for our bi-annual major fundraiser, we usually host a ball in September/October. As we are in collaboration with Team Penning for their event in May 2021 it has been discussed that this be our major fundraiser this year due to the close timing of the 2 events and also the need to procure auction/raffle prizes for the Team Penning Social night.
- Playground – 2 final designs, Kate to attend school assembly to go through designs with children then by end of day students to vote for the preferred designs. AMU rep to come to approve designs.
