

After School Care SURVEY

With the start of another school year, Gresford Public School P&C Association is keen to discover if there is a need for after school care for our students in 2016.

An established before and after school care service operates at Vacy Public School and our students have been invited to attend the service on a regular or casual basis.

If enough families show an interest in attending, the P&C will investigate options for transporting children to Vacy PS each afternoon.

If your family is interested in this service, please fill in the survey below and return to school by **Friday, March 11**.

AFTER SCHOOL CARE SURVEY

Family name: _____

Contact email: _____ Phone number: _____

No of children who would use the service: _____

Would you use the service:
