

Dear Parents,

Please complete the permission notes below for two events coming up soon.

The Science Show is an interactive experience based on our current Science unit - chemistry. It will complement our lessons with Dr Wright and is very engaging.

If your child is **not** going to Dungog for the Education Week Ceremony they do not need to go to rehearsal and will remain at the school. They need only to return the Museum Express Science Show permission note with \$4 per child.

Kind regards,

Mrs Sue Dillon

(Relieving Principal)
