

YEARBOOK 2016

- order form -

Year 6 cub reporters have been hard at work all year capturing the fun and adventures of our students during 2016. They're bringing it all together in the annual Gresford Public School yearbook - a 50-page glossy, professional collection of pictures and memories from the school year.

And thanks to generous sponsorship from Gresford's business community and Gresford Public School P&C Association, the yearbook will again be available to students and their families for just \$10 each. It's a great keepsake and the perfect Christmas gift for grandparents and extended families.

To order your copy, fill in the form below and return to school (with payment) by Friday, November 4.

Note: All Year 6 students receive one free copy of the yearbook.
